

FLYING LEAP

Manhattan

RECIPE

INGREDIENTS

2.5 oz. Flying Leap Bourbon or Rye

1 oz. Sweet Vermouth

3-4 dashes Angostura Bitters

Spoonback of Marasca cherry syrup*

Bourbon or Rye?

Bourbon is sweeter
Rye tastes spicier

Mix ingredients with ice in a Boston cocktail shaker. Shake vigorously until the exterior surface of the shaker frosts, then strain into a coupe or highball glass.

Garnish with a Luxardo cherry and twist of thin orange peel on a spear.

Enjoy!

* Marasca cherry syrup is the liquid that Luxardo cherries (The Original Maraschino) are packed in
